Remarks:

- After conclusion of Membership Agreement, MEPX issues invoices for Entrance Fee, Annual Membership Fee and Annual Technical Fee. Annual Membership Fee and Annual Technical Fee are calculated proportionally to the number of months from issuance of confirmation on entry in register of Members until the end of that year. The calculation period for these two fees starts from the next month in regard to the month of issuance of confirmation on entry in register of Members.
- Invoices for Annual Membership Fee and Annual Technical Fee are issued to the Members by the end of January every year for that year.
- Due date is seven days from the day of issuance of invoices.
- The Member is entitled to a refund in case of termination of the Membership Agreement before the expiration of the Annual Membership Fee period, proportionally to the number of months from the day of termination until the end of the year of termination.
- The bank's commission in case of payment of Annual Membership Fee and other fees is not subject to refund by MEPX and the Member shall bear the cost for its obligations.
